The Amended Offering is anticipated to close in a series of tranches, with the first tranche on or about December 22, 2023, subject to the approval of the TSX Venture Exchange, receipt of any other required regulatory approvals and other customary closing conditions.

The Units and the securities underlying the Units issuable pursuant to the Amended Offering will be subject to a statutory hold period of four months and one day from the date of issuance of the Units in accordance with applicable Canadian securities laws.

The Company may pay a finder's fee in respect of those purchasers under the Amended Offering introduced to the Company by certain persons (each a "**Finder**"). Each Finder will receive a cash payment equal to 6% of the gross proceeds received by the Company from purchasers under the Amended Offering who were introduced to the Company by such Finder.

The securities described herein have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**"), or any state securities laws, and accordingly, may not be offered or sold within the United States except in compliance with the registration requirements of the U.S. Securities Act and applicable state securities requirements or pursuant to exemptions therefrom. This press release is not an offer or a solicitation of an offer of securities for sale in the United States, nor will there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.
